

This is the Metadata of the Data sources associated with article:

Muñoz, G., Trøjelsgaard, K., & W.D. Kissling. 2018. A synthesis of animal-mediated seed dispersal of palms reveals distinct biogeographic differences in species interactions. *Journal of Biogeography*.

1.- File name: "ReferencesDataset.csv"

2.- File variables description:

Column Names	Description	Type of Data
referenceKey	Coded key to the reference source of the interaction record to be matched with the dataset "PalmFrugInteractionDatasetOCT2018.csv"	CodedNames (text)
FinalRelevancy	Whether the full-text scan of the article reference provided any palm-frugivore species level pairwise interaction data	Logical argument (Y/N)
Author	Author(s) of reference, each author separated by ";"	Text
Title	Title of article reference	Text
Journal	Title of journal where the reference is published	
DOI	Digital Object Identifier of Publication (if available)	Coded text-number (xx.xxxx/. . .)
